## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-5, 9-15, 20, and 21 are allowed over the prior art of record.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach a method and system for sending a list restoration request to the service provider's system, and means for responding to such a request by reading from a database call numbers corresponding with the owner terminal number from a backup list, together with the call number owners information for the call numbers and transmitting the data to the call number management program, as substantially described in independent claims 1, 11, and 21. These limitations, in combination with the remaining limitations of claims 1, 11, and 21, are not taught nor suggested by the prior art of record. Claims 2-5, 9, 10, 12-15, and 20 are dependent from claims 1 and 11 and are therefore allowed for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to MICHAEL T. THIER whose telephone number is
